PROCEDURE

- a) Medical forms are available at the clinic. The doctor will ask to be shown the applicant's passport before conducting the examination.
- b) All expenses incident to the examination must be borne by the applicant.
- c) The results of the examination (including any x-ray film) in cases involving Class A or B conditions, **MUST BE FORWARDED BY THE EXAMINING PHYSICIAN DIRECTLY TO THE CONSULAR OFFICER, U.S. EMBASSY, 376 JALAN TUN RAZAK, P.O. BOX 10035, 50700 KUALA LUMPUR, MALAYSIA.** Completed reports not involving Class A or B conditions should be given to the applicant for presentation to the Embassy on interview day.

(Please turn over for more information)

NOTE TO DOCTORS

Neither chest x-ray nor blood tests are required for children under 15 years of age.

In case of abnormal finding in the lungs, a full size (14" x 17") shall be used.

In cases which do not involve Class A or B condition related to tuberculosis, the x-ray film should be forwarded directly to the applicant. The applicant should retain the x-ray as an important record of his physical condition at the time of the medical examination.
